Mark

Following my recent visit to your offices I attach my report documenting your processes and procedures in line with Professional Passport's Audit Standards.

As you are aware our audit process not only looks to ensure an organisation is compliant against the appropriate legislation but also seeks to assess an organisation against a number of soft fact criteria, as well as it displaying an "attitude of compliance".

We believe it will be these soft fact criteria that will ultimately set organisations apart.

This report is intended to create a base line of your processes and should any of these be amended it is essential you inform us, preferably as soon as you are aware of the potential change, but in all cases once it is implemented. We will review any change, discuss where required and, amend and update our records to reflect the change in procedures. We will write to you every six months to formally request that you confirm no changes have been made.
